1. Introduction

Swiftfox is committed to protecting the privacy and security of personal data. This policy outlines our practices regarding the collection, use, processing, and protection of personal data.

2. Data Collection

Swiftfox collects personal data necessary to provide our services, including but not limited to, name, address, email, and financial information. This data is collected through various means such as account registration, transactions, and customer inquiries.

3. Use of Data

The personal data collected is used for the following purposes:

- Providing and managing our services.
- Communicating with clients, including responses to inquiries and customer support.
- Complying with legal and regulatory requirements.

4. Data Processing and Storage

Swiftfox processes and stores data securely. We employ appropriate technical and organizational measures to protect personal data from unauthorized access, alteration, disclosure, or destruction.

5. Data Sharing and Disclosure

Swiftfox may share personal data with third-party service providers for the purpose of providing our services. We ensure that these providers comply with strict data protection and confidentiality terms.

6. Data Retention

We retain personal data for as long as necessary to fulfill the purposes for which it was collected, in accordance with our data retention policies and applicable laws.

7. Rights of Data Subjects

Swiftfox reserves the right to amend this policy from time to time to reflect changes in legal requirements or our processing practices.
